

This is the course website for both of the two sections of PHI 101 I am teaching this term:

PHI 101-003 [Honors]

MW 3:35PM – 4:50PM, Stevenson Hall 0229.

PHI 101-002

MW 5:00PM – 6:15PM, Stevenson Hall 0121.

Please attend the section in which you are enrolled.

I will not be using Canvas. To keep on top of readings and assignments, you need to check the schedule and pay attention to in-class announcements. If you are worried about your grade, you can either calculate it for yourself or ask me.
